OF SUBSTITUTE SEQUENCE LISTING IN ACCORDANCE WITH  
37 C.F.R. §§ 1.821-1.825

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

This responds to the communication from the Examiner mailed June 25, 2001, noting that no CRF Sequence Listing nor Statement indicating identity between the paper and CRF Sequence Listings had been filed.

Applicants enclose herewith a CRF Sequence Listing and substitute paper Sequence Listing. **The undersigned hereby states that the content of the Sequence Listing submitted herewith and the computer readable copy submitted herewith, in accordance with 37 C.F.R. § 1.821(c) and (e), respectively, are the same.** They differ from the original paper Sequence Listing filed on September 22, 2000 in that they include (a) an Application Serial Number in place of "unassigned" (<140>) and (b) an amended Attorney Reference no. (<130>).

Also submitted herewith is a Petition for Extension of Time (one month) up to and including September 25, 2001.

In the unlikely event that the Patent Office determines that an extension and/or other relief is required as a result of this statement, applicants petition for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due to our **Deposit Account No. 22-0261**.

Respectfully submitted,

Dated: 28 August 2001
